

A BOND ISSUE CAN INVOLVE A MOUNTAIN OF PAPER.

We guess that's why we're known for moving mountains.

Bond issues for public bodies can be confusing and often require the preparation of a maze of complicated legal documents. Public officials need the confidence generated by a law firm with over 110 years collective experience serving as bond counsel for cities, counties, hospitals, school boards, universities, airports, utility boards and other issuers of public debt. Hand Arendall has done the heavy lifting for decades.
